MISSION SAN JOSE, IRVINGTON POST OFFICES BOOSTED

Effective yesterday, the beginning of the new fiscal year, two of the post offices in Washington Township were boosted from third to second class for the first time in their history, and a third was dropped back to third class.

The offices elevated because of postal receipt increases during the past year are Irvington and Mission San Jose, and the one dropped to third class was Decoto, where receipts fell below the $8,000 second class minimum.

OPEN AT NOON HOUR

At Mission San Jose, Lois Bottenberg, who has served as postmaster since October of 1938, and watched receipts grow from $900 per year to $8,900 last year, attributed the great increase the last two years to the overseas gift packages shipped by the Dominican Convent and St. Mary's of the Palms School for Girls. Postmaster Bottenberg will be assisted in the operation of the office by her husband, Glenn Bottenberg, and Mrs. Josephine Hernandez, with Mrs. Mildred Steele as alternate clerk. The office will continue to open at 8 a.m. and close at 6 p.m., but the windows will no longer be closed during the noon hour, Mrs. Bottenberg said. She also revealed that plans are now in Washington for approval to move the post office into a new building directly across the highway from Linda Vista Park on the highway.

POPULATION INCREASE

At Irvington, Postmaster Manuel C. Joseph was not only proud that his office had been elevated to second class for the first time, but expressed confidence that it would remain there next year, according to receipts during the first quarter of this year. Postmaster Joseph attributed the rise in receipts to the increase in population and the heavy mailing by the Occidental Stove plant. Joseph, who became postmaster on February 1, 1936, will be assisted by Mrs. Lillian Piarulli and Mrs. Alberta George, with Mrs. Lorraine Zbybenski as alternate. He also announced that the office will continue to be open from 6:45 a.m. until 6 p.m., but the stamp windows will be kept open during the noon hour hereafter.

RECEIPTS DOWN

Decoto, which was a second class post office for two years during World War II, dropped back to third class yesterday because of the slackening in postal receipts. Postmaster Mary Janeiro, who has served in that capacity since January, 1936, said this week that Mrs. Jewel Enos and Mrs. Edith Dias will continue to assist her as clerks.

STORES CLOSED

All business houses of Washington Township will be closed Monday, July 5, to allow the employers and employees a week-end holiday over Independence Day, July 4.

REORGANIZATION OF DRAFT SCHEDULED

Registering of draft-age men is expected to get under way about mid-August and the first inductions probably will be close to the September 22 date fixed by the new draft law, it was rvealed this week.

Organization of a new draft board and registration centers for this area has not yet begun, according to members of the former draft board who served before and during World War II. However, the former board members are expecting to receive requests to resume their duties in the near future.

The draftee will be put into that branch of the Army for which he is found to be best adapted, except that he will go into airborne training only if he volunteers for such a unit. His basic training is expected to be identical to that received by his older brothers in wartime, with many of the same camps either still in use or to be reopened for the new groups. The training camp for this area is Fort Ord.

The draftee may serve that part of his twenty-one months left after eight weeks of basic training, either in the United States or overseas.

WOMAN'S BODY FOUND IN BAY

The body of an unidentified negro woman was discovered Tuesday afternoon where it had been washed ashore on the levee of San Francisco Bay approximately 2 miles north of the east approach to Dumbarton Bridge. The discovery was made by John Burdick, a salt company employee, who was making an inspection tour of the levee.

The body was one foot below the top of the levee, partially covered by sand, and about 10 feet from the water's edge. The upper part of the body was badly decomposed and Deputy Coroner Ben Murphy estimated that it had been lying there for "several weeks."

Murphy estimated the woman's height at 5 foot 3 inches and weight at 120 pounds. The body was clothed in a gray wool skirt, blue cotton blouse, gray jacket and stockings. A gold horse-shoe shaped earring pierced the right ear lobe.

The body was taken to the coroner's office in Oakland where an attempt will be made to establish identification.

OCTAVIEN VIEUX CLAIMED BY DEATH

Octavien Vieux, 87, prominent Washington Township farmer, died early Wednesday morning at the home of his daughter, Mrs. Octavia Young at Mission San Jose.

The deceased was a native of France, but had lived in this community for the past 66 years where he had engaged in farming until his recent retirement.

He was the husband of the late Naomie Vieux; father of Mary and Alfred Vieux of Niles, Mrs. Octavia Young, Mission San Jose, and the late Leon, Jack and Robert Vieux. He is also survived by ten grandchildren and two great-grandchildren.

A rosary service will be recited at the parlors of the Berge Mortuary in Irvington at 8 p.m. today (Friday).

Funeral services will be held from the parlors of the mortuary at 8:30 a.m. Saturday, thence to St. Joseph Church, Mission San Jose, where a requiem mass will be said for the repose of his soul at 9 a.m.

Interment will be at St. Joseph's Cemetery, Mission San Jose.

CONCERT MEMBERSHIPS ARE AVAILABLE TO ONLY A FEW

The Washington Township Community Concert Association is still receiving requests for memberships, but, unfortunately, according to those in charge, only those who were out of town during the week campaign or new residents are eligible to buy memberships at this time.

Those who come under this classification may buy their memberships by contacting Mrs. Roland Bendel of Niles.

YEAR'S RAINFALL DOWN; WELL SUPPLY SHOWS HEAVY DRAIN

"Not so good," was the comment Manuel Swartz, keeper of the rain-gauge at the Southern Pacific depot in Niles, made after tabulating the total rainfall and closing the book yesterday, marking the end of the 1947-48 fiscal year.

THIRD DRY YEAR

The tabulation showed 15.19 inches of rainfall for this vicinity between July 1, 1947, and June 30, 1948, a decrease of 3.64 inches from the average of the past seven years.

"The past year marked the third consecutive dry year for this area," Swartz said, pointing out that the 15.98 inches in 1945-46 was the high for that period of time.

Consulting the records for the past seven years, Swartz revealed that 1941-42 was the highest, with 27.28 inches of rainfall, and then began an almost steady decline as follows: 1942-43, 23.38 inches; 1943-44, 18.34 inches; 1944-45, 20.24 inches; 1945-46, 15.98 inches; 1946-47, 11.43 inches; and the current 1947-48, 15.19 inches.

WATER LEVEL FALLS

In the meantime, H. F. Harrold, engineer for the Alameda County Water District, stated that the water level in the wells here is rapidly dropping, "with everyone getting water for irrigation while they can.

"We can't give a very optimistic report on the water situation here for the remainder of the summer," he added. He stated that well drillers are working overtime, literally speaking, to meet the demand for new and deeper wells. "Many of the surface wells, that is those down to about 150 feet, are nearly dry and some are now contaminated by salt water," Harrold said, adding that all the new wells are being drilled to 300 feet or deeper.

ESCAPE DEATH IN CAR-TRAIN CRASH

Two persons escaped with minor injuries and a third was unhurt when the car in which they were riding crashed into a freight train at the Main street railroad crossing in Centerville early Monday morning.

The injured were Mrs. Noma Presson, driver of the car, and Katherine Servas, both of Sunol, Mrs. Presson's husband, Marvin, also a passenger in the car, escaped injury.

The injured were rushed to Fairmont Hospital in the Dallas Paul ambulance, where Mrs. Presson was found to have suffered fractured ribs and Miss Servas a fractured collar bone and head injuries.

Presson told officers that his wife apparently became blinded by the sun and failed to see the Southern Pacific freight bound from Oakland to San Francisco.

SERVICES TODAY FOR MRS. HARVEY

Death, following an operation, Tuesday claimed the life of Mrs. Elizabeth Harvey of Alvarado in a San Jose hospital.

She was the wife of Theodore Harvey, prominent Washington Township rancher, and mother of three small children, Bobby, 6; Sue, 4; and Patsy, 1.

Funeral services at the Garden Chapel of the Pratt-Flierl Mortuary in Hayward will be held at 11 o'clock this morning (Friday).

Mrs. Harvey was a member of numerous community groups in Washington Township and was a popular member of the younger married set. She had served as secretary-treasurer of the Home Arts Section, composed of young matrons of the Country Club of Washington Township.

WEDNESDAY

Auditions for Alameda County Centennial Pageant, W.U.H.S. auditorium, 8 p.m.

THE CASE OF THE UNWANTED MONEY

Two sheriff's deputies paid a surprise visit to a shack behind a Niles business house one day this week and met with some peculiar circumstances.

Seated around the floor were several local male citizens, apparently deeply engrossed in a discussion of the weather and the affairs of the world. Between them was a not too slick piece of wall board and upon the board were various denominations of negotiable metallic pieces commonly referred to as coins.

How did the money get there? No one knew.

To whom did it belong? No one seemed to know that either.

Dice? Why officer, how could you think of such a thing?

Since the money seemed to have no owner it was confiscated by the officers and is being held, awaiting some person to claim it as theirs.

C. OF C. CALLS FOR TOWN CLEAN-UP

County and state sanitation and fire officials have been invited to inspect conditions in Centerville as a result of a community-wide clean-up campaign launched Wednesday at a luncheon meeting of the Chamber of Commerce.

The annual influx of transient workers into the community because of the fruit season, was the determining factor in the Chamber's requests that officials investigate housing and sanitation conditions. Members of the Chamber reported that transients are sleeping in the weeds and old shacks along both sides of the railroad and living conditions were said by some to be "unbelievable." The Chamber members pledged themselves to an all-out campaign to clean up the "eyesores" of the town.

George Oakes spoke briefly on the possibilities and benefits of incorporation for the town but no action was taken at Wednesday's luncheon.

FAMED ATHLETE DIES IN ALVARADO

Funeral services were held in Hayward Tuesday for Henry D. "Heine" Heitmuller, Bay Area hardware executive and former prominent sports figure, who died Friday night at his family home in Alvarado.

He was widely known for his practice of getting underprivileged youngsters a start in sports, and was himself a baseball and gridiron star. The University of California "Gold Book," a history of football greats of the past, listed him as a "phenomenal punter" on the 1902 varsity. He played on the team managed by the late Superior Judge Ezra Decoto and coached by the late James Whipple, formerly of Niles. Death was contributed to a heart attack, suffered after witnessing a fire in Alvarado Friday evening. He died at the family home where his sister-in-law, Mrs. Mildred Nauert, now resides.

GRAVESTOCK GIVES PLANS FOR ROTARY

President Warren Gravestock of the Niles Rotary Club outlined plans for the next year yesterday at the club's regular luncheon meeting at the International Kitchen.

He and Secretary Ralph Chapman, who last week attended a district conference at Redding, gave reports on the conference, which is held annually to advise officers on the leadership of their clubs.

Past President Richard Jolly was presented with a past president's pin. The presentation was made by C. W. Kraft.

GRASS FIRE IN CANYON

The Niles fire department was called out early Monday morning to extinguish a grass fire near Stoney Brook Park in Niles Canyon. The quick action of a passing motorist in notifying the fire company allowed them to arrive at the scene in time to prevent the blaze from spreading to the nearby hills.

SUGAR PLANT HITS PEAK PRODUCTION; WATER USE CUT

After getting off to a slow start because of the lateness of the sugar beet season in the Imperial Valley, the Holly Sugar Company's plant at Alvarado hit peak production this week.

Work was halted temporarily at the plant twice after the processing began because beets were not arriving here from the valley in sufficient quantity to maintain full-scale operation.

J. A. Ratekin, plant superintendent, said this week that a crew of 250 persons is now employed at the plant, and added that the company has encountered little difficulty this year in acquiring competent and sufficient help.

The current "spring run" is expected to close about July 20. Ratekin said it is expected the plant will process between 85,000 and 100,000 tons of beets during this run, considerably less than the 125,291 tons processed last year. He pointed out that the decrease was due to the fact that some of the beets formerly processed here are being sent to the company's new plant in the valley. The second, or summer run of beets raised in this area, is expected to get underway in August and last well into November.

The local plant is using its new water cooling tower and circulating unit for the first time this year, and Ratekin revealed that is has shown a saving of 50 per cent over last year on the amount of water used in washing and processing.

SUMMER PROGRAM FOR NEWARK SCHOOL CHILDREN

For the first time in the township, a summer recreation program for children got under way, with the announcement from the Newark P.T.A. that it is sponsoring such a project at the Newark school.

The program began June 29 and will close July 23, with hours five days a week from 9 to 11:30 and from 1 to 3.

Miss Eleanor Freitas will have supervision of the group games and activities, which may be enjoyed by any child in the Newark school district. She will be assisted by several mothers who have volunteered their services: Mmes. Paul Cottingham, Arthur Hampleman, A. W. Silva, Tony Fragulio, Harry Houston, Raymond Bernardo, J. C. Lawrence, James Adamson, J. W. Jibson, Fred Melhase, William Dutra, and Mrs. Roger Presley.

Expenses of the project will be borne by the school board.

Other school districts are watching the summer program with interest, hoping that they, too, may be able to start such a project in the future.

NEW TEACHER EMPLOYED FOR NILES SCHOOL

Mrs. Florence Dickerson of the Mission Highway has been employed by the Niles School Board of Trustees as a new teacher for the new fall term. She will teach an intermediate grade.

Mrs. Dickerson is well known in this area, having taught as a substitute teacher in several township schools.

ANYTHING CAN HAPPEN —AND IT DID!

When a piece of pipe is wielded by a three-year-old, anything can happen. And it almost did—

Little Frankie Duarte, three-year-old twin son of Mr. and Mrs. Frank Duarte of Niles, very nearly lost the sight of one eye the other day because his twin, Johnny, hit him in the eye with a piece of pipe.

The lower eye-lid was severely injured, but the eye-ball just missed being hit by a hair breadth.

The boy was rushed to an eye specialist in Oakland who declared that he was mighty lucky to still have his eyesight in the injured eye.

MAKE SEARCH FOR LOCAL TALENT

A schedule of auditions for parts in the Alameda County Centennial Pageant, to be presented at Woodminister Amphitheater, Oakland, during August and September, was announced this week by Fenton McKenna, pageant director.

An audition will be held Wednesday at 8 p.m. in the auditorium of Washington Union High School, McKenna said, and all persons who can act, sing, dance, or play a musical instrument are urged to report.

He added that additional information may be obtained from Joseph C. Tobin, secretary, Alameda County Centennials Committee, Room 1111, City Hall, Oakland.

OFFICERS WARN ON USE OF FIREWORKS

Officers and fire chiefs of Washington Township warned this week that they intend to enforce the state law and county ordinance concerning fireworks over the week-end and holiday with the hopes that residents of this area will enjoy a safe and sane Independence Day.

Deputy sheriffs warned that according to the county ordinance only "safe and sane" fireworks are permissible, and pointed out that the only fireworks included under this heading are "sparklers" and cap pistols. They suggested that persons wishing greater displays pool their fireworks and obtain a permit from the county board of supervisors to use the additional fireworks.

Merchants of the township have been very cooperative in not stocking and selling the prohibited fireworks, the officers reported. However, one citation was issued after a sidewalk dealer ignored a warning to obtain a special county permit before selling the prohibited articles.

Fire chiefs have asked all persons using fireworks of any kind to be extremely cautious about throwing them in the dry grass. All fire departments of the township will have crews on duty throughout the day as a safety measure.

Highway patrolmen have urged everyone to allow additional time for motoring from point to point on the highways as they anticipate extremely heavy traffic over the week-end holiday.

NEW CHAIRMEN FOR NILES ROTARY CLUB

A complete list of new officers, directors, and chairmen of the new year of the Niles Rotary Club was announced this week by the new president, Warren E. Gravestock.

The directors are George Bonde Jr., Vernon Ellsworth, Keith Whipple, Richard Jolly and Ralph Chapman.

Ralph Chapman is the secretary, and the treasurer is Monford Kreuger.

The following head the special committees: community service, Claire Lopez; vocational service, Peter Juhl; club service, Ed Enos; international service, Judge E. A. Quaresma; public information, L. L. Batinan; membership, R. A. Blacow; sergeants-at-arms, John Brahmst and Bain Leask; Pinion editor, E. D. Bristow; stunts, Joe Buchen; music, Clarence Crane; Rotary magazine, J. B. Crawford.

Special reporter is E. F. Glassbrook, and Dr. E. C. Grau heads the "On-to-New York" committee.

Richard Jolly will handle Rotary information and chaplain is the Rev. Donald Kirkbride.

C. W. Kraft heads the program committee; Dr. W. F. Lamoreux, youth service; Fred Melhase, attendance; Richard Nicklasson, fellowship; John Whipple, Rotary extension; Dr. T. C. Wilson, social events; and John Ratekin, research.

HURT IN CAR CRASH

Obie Lee Campbell, 17, Niles, was issued a collision notice Friday after the car he was driving skidded into a parked automobile near Niles, injuring his two passengers. Treated at Fairmont Hospital for minor injuries were Elbert Lee Campbell, 52, and Jimmie Boles, 21, both of Niles. Their car struck a vehicle registered to Monzo Matthews, also of Niles.

PCA MOVES GRAVEL EXCAVATION PLANT TO CENTERVILLE

Gravel excavation at the Pacific Coast Aggregates pits at Niles was concluded last week-end, marking the end of a 38-year long operation.

Monday the company began operation at its new site near Centerville.

GREATER PRODUCTION

Quayle Collinson, local superintendent, said Monday that the new process and equipment now employed by the company will increase production by many tons per day. The new equipment utilizes a conveyor belt system, carrying the gravel from the pit into the screening tower, through the washers and segregates the rock into various sizes. It resembles a huge hand with the conveyor belts running out the fingers and depositing the various sizes of rock in segregated piles. "We still have a few bugs to get out of the system, but when we do it will greatly increase our output," Collinson said.

The company owns some 300 acres of land in the immediate vicinity of the plant which holds a rich deposit of gravel, which in some spots is little more than a foot below the surface.

BY HIGHWAY CARRIERS

Collinson explained that a railroad line will not be laid to the plant because of the difficulty in obtaining sufficient cars for loading. He added, however, that the output can still be greater than at Niles by hauling exclusively by highway transports. A new road was constructed by the company from its plant to the Centerville-Alvarado highway, connecting with the highway at the end of Thornton avenue.

WORK FOR HIGHER RESISTANT SEED

Some 600 acres of disease-resistant Atlas 46 barley have been planted for seed this year and will be distributed to growers after harvest, University of California College of Agriculture agronomists announced this week.

Atlas 46 is resistant to scald and powdery mildew, the two worst barley diseases. When they are present, Atlas 46 yields about five bushels more per acre than common Atlas which is injured by them. When the diseases are absent, yields are the same.

Atlas 46, produced by Davis agronomists, is the result of 14 years of crossing and back-crossing. It was released to growers for the first time last fall, and is expected to replace common Atlas.

At present, Davis agronomists are working to add resistance to net blotch, a third serious barley disease, to Atlas 46. Then it will have all the good qualities of common Atlas plus resistance to three diseases, instead of only two as it has now. More than 5,000 varieties of barley are being tested to find those resistant to net blotch.

NEWS from Walt

We now have all our furniture both NEW and USED, in our new store. We have by far the largest line of new and used furniture in Southern Alameda County under one roof.

Check with us on your furniture needs and you will find the savings you make will be very substantial.

CHARTER MEMBERS RECEIVE PINS

Neighbors of Woodcraft, Hazel Circle No. 5980 held a social meeting Friday night, June 25, at the home of Carrie Martin, clerk.

Adelaide Russo presented the following charter members with 35-year pins: Annie E. Sullivan, Rose Schneider, Sarah J. Crane, Maryanna Destrella, Rosie Perry Moniz, Frances L. Silva, Mary Miller and Theresa Olivera.

Other members who attended were Mr. and Mrs. Joseph Martin, Mr. and Mrs. John Smith, Mr. and Mrs. Arthur Grover, Tony Miller, Florence Alves, Helen Silveria, Emma Alves and Carrie Martin.

Refreshments followed the business meeting. Fourteen of the charter members were unable to attend.

TWENTY YEARS AGO...

(From the 1928 Files of The Township Register)

The Junior Legion baseball team included such stars as: Raymond Duarte, Bud Ruschin, Bob Amyx, Jack Cahill, Cattaneo and John Santiago, Ernest Thompson, Clarence Soito, Alfred Ferreira, John Noble and Edward Bernard.

A new assessment revealed that Washington Township ranked second in Alameda County valuations with land and improvements set at $2,112,600.

Charles Petersen of the Niles Theater announced that he planned the construction of a theater in Alvarado.

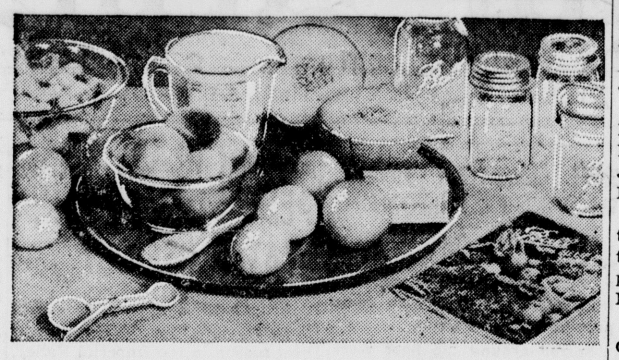
A REALLY "FANCY" SPREAD!



A conserve which brings summertime delicacies to winter tables is Cantaloupe-Peach Conserve, easy to make but really a "fancy" spread with its blanched almonds and grated orange rinds to lend piquant flavors. This recipe from the famous Ball Blue Book of home canning tells you how to make the conserve.

4 cups diced cantaloupe
4 cups diced peaches
6 cups sugar
½ cup blanched almonds
4 tablespoons lemon juice
½ teaspoon nutmeg
¼ teaspoon salt
1 teaspoon grated orange rind

Cook the cantaloupe and peaches together 20 minutes. Add sugar and lemon juice. Boil rapidly until thick. Add almonds, nutmeg, salt and grated orange rind. Boil three minutes, then pour, boiling hot, into hot Ball Jars. Seal.

Have you read the want-ads?

STAG PARTY HONORS NILES BRIDEGROOM-TO-BE

A stag party comprised of about 20 friends of Amador Pratali of Niles was given for him last Monday evening in Solon's basement, in celebration of his coming wedding.

He is to be married to Miss Myrle Daviner of Oakland at St. Elizabeth's Church in Oakland on July 18. She is the daughter of Mrs. Gertrude Daviner.

Pratali, a graduate of Washington High, is the son of Pisa Pratali of Niles. He is presently employed at Berchem's Market in Niles.

COUNTRY CLUB HOST AT SUMMER CONFERENCE TO 88

The summer conference of the Alameda District Federation of Women's Clubs was held Wednesday at the Country Club in Centerville, with officers of the Country Club serving luncheon to 88 women.

Mrs. Harry Leonard, district president, presided at the meeting following luncheon. Mrs. C. N. Myrick of Centerville, Country Club president, acted as general chairman.

AID CONTROL OF TOMATO PESTS

Circular 384 just issued by the University of California College of Agriculture is designed to help tomato growers protect their crop adequately from nine main insect pests, but not wastefully.

The new circular, "Controlling Common Pests of Tomato in Northern California," is written by A. E. Michelbacher and W. W. MiddleKauff, entomologists, and Norman B. Akesson, agricultural engineer.

Circular 384 shows life-size pictures of and describes the tomato pinworm, potato tuber moth larva, alfalfa looper, beet armyworm, yellow-striped armyworm, corn earworm, tomato hornworm, and tobacco hornworm, and also tells where to look for them on the plant.

In addition, a general control program is given for these pests. The program is especially suited to northern California, but adaptable for central and southern San Joaquin Valley. Calcium arsenate, DDT, DDD, Toxaphene, and cryolite are discussed as to what they will and will not do to control tomato pests, and the good and bad points of spraying and dusting are mentioned.

Circular 384 is available free from any Farm Advisor or from the College of Agriculture, Berkeley 4.

SEE DRIED FRUIT MARKET INCREASE

Charles Wauhab, Centerville, reporting on a recent meeting of the Central Committee of the California State Chamber of Commerce, stated this week that the Marshall Plan is expected to bring relief to the growers and producers of dried fruits in this area.

At the discussion of agriculture by the group it was brought out that during the past year the European market for dried fruit has fallen to nearly half of former years. It was the belief of the members present, however, that the government's purchasing of the dried fruits for shipment overseas will bring the market back up to normal.

California's 1947 sardine pack dropped to 1,712,494 cases, less than half that of many seasons.

In profile, sand dunes present a gentle slope to the wind and a steeper slope to the lee.

Centerville Girl's Wedding Revealed

The news is finally out—

Beverly Adams, daughter of Mr. and Mrs. Joe Adams of Centerville, has been the bride of John Howell Brainard of San Francisco since April 23.

The couple was married on that date at Christ's Episcopal Church at Sausalito by the Rev. Lloyd A. Cox, in the presence of immediate relatives.

The bride, a graduate of Washington High, attended San Jose State College and is presently attending San Francisco Women's College while her husband serves as a marine engineer with the Matson Navigation Company. Their home is in San Francisco.

Her parents are planning a reception for them some time in the late summer.

Work in King City

Marceline (Muzzy) Rogers of Irvington, and Frank Brown of Centerville, left this week for King City where they will work throughout most of the summer hauling gravel on a contract job in that city.

The Island of Hong Kong is situated at the mouth of the Canton River off the coast of China.

The FARMERS CORNER

by RALPH H. TAYLOR

Executive Secretary Agricultural Council of California

A newspaper of national circulation recently carried two stories in the same issue, bearing widely separated date lines but dealing with two closely related subjects. One originated in Los Angeles and bore the heading: "Magic of America Charts Help Boost Enterprise System." The other, written in Chicago, was entitled, "Educators, Businssmen Scan Stakes."

Both dealt with the free enterprise system. The Los Angeles story spoke in terms of accomplishment under American democracy as compared with the situation of peoples in countries whose ideology embraces Communism or Socialism. The Chicago story told of a meeting between industrialists and educators to discuss how free democratic government and a high standard of living can be maintained, broadened, and strengthened.

Since the Los Angeles story discussed free enterprise on the basis of statistics embraced in a group of six charts, the writer requested copies of the charts and they were subsequently received through the mail from the organization which compiled them—the American Enterprise Forum of the Los Angeles Chamber of Commerce.

The charts are four-color illustrations of the actual economic advantages of free enterprise over English Socialism and Russian Communism.

They revealed that if you are an average American wage earner, a week's work will place in your hands enough money to buy six pairs of shoes; a month's work will purchase four suits. Comparatively, the charts show that in Russia a week's toil gives the worker in return only enough income to buy one shoe; a month's labor is worth one-half. Further comparisons were similarly interesting. In America, an hour's work pays for six quarts of milk; in Russia, it buys one-third of a quart; and in England, three quarts.

In America there are twenty telephones for every 100 persons; in England there are eight phones for the same population; while in Russia 100 persons would have available exactly three-fourths of one telephone. The housing situation in the three countries is also dealt with. Despite the admitted lack of sufficient housing in America, the charts show that for every person in the United States there are 410 square feet of housing, compared with 40 square feet in Russia and 105 square feet in England.

The authors of the "Magic of America" charts believe that the friends of free enterprise spend too much time assuring each other of its advantages and neglecting the real job, which is to enlighten the man on the street. They say that the best selling point for free enterprise is results, and the charts are designed to show at a glance the truly astonishing difference in the living standards of America under a free democratic government compared with the standards in the Russian police state and in socialistic England.

Mr. W. E. McCann, secretary of the American Enterprise Forum, reports that nearly two hundred thousand charts have been distributed to various American organizations and individuals as the consequence of a nation-wide campaign initiated by the Forum. He reports that the interest displayed springs from the grass roots and confirms the Forum's belief that "the average American will jump at the chance to help promote our system when you provide him with the facts to help him do the job."

As a part of that job, the Chicago meeting of industrialists and educators stressed the need for the maintenance of high educational standards and advocated instruction of all students in basic economies to promote better management-labor relations and improve family living. Young men, it was pointed out, need to evaluate the relationship of wages to capital profits in their natural striving for better pay envelopes—and to understand why they cannot buy a Cadillac on a truck driver's salary. Girls should be taught how to do the family purchasing in the most economical way, instead of by trial and error.

The industrialists indicated their awareness of the fact that they must look to the schools—and to the home—in the years ahead for men and women with skills, character, vision, and the desire to cooperate in maintaining and extending the benfits of a free way of life.

Democracy need have no fear of competing ideologies if its believers join hands—as in the Los Angeles and Chicago instances—to discuss its strengths and weaknesses, and to take constructive action to "sell" America to all the people.

BAD MEN TO LIVE AGAIN AT RODEO

The promise of a program of "the unusuals" has been made by the managers of the San Leandro Fourth of July Reunion celebration.

Included in the star-studded show will be, "Jesse James"—or at least the man who claims to be the famed desperado—who will be brought to the celebration from Lawton, Oklahoma. More than 100 years old, he has been living under the alias of Frank Dalton, he says, since the day in 1882 when Bob Ford reportedly left a .45 slug in his back.

Al Jennings, whose exploits as a train robber and a gun fighter while he served as a member of the legendary Dalton Boys gang, will be brought to the celebration from Tarzana. Jennings, who is 85 years old, will match skill with the Oklahoma desperado in "slapping leather," at two performances of the rodeo, to be held Sunday at 2:30 p.m. and 8 p.m. at the Oakland Stadium on East 14th street.

In addition to the rodeo itself, which is being presented under the approval of the Rodeo Cowboys Association, "Hatsuishimo," the famous white horse of Hirohito, emperor of Japan, will be ridden by its new owner, Dick Ryan, Southern California rodeo showman who brought the animal from Japan.

Following the final performance the gates to the stadium will be thrown open to the public for a free display of fireworks at 10:30 p.m.

NAVY EXTENDS PROGRAM OF SPECIALIZED WORK

The privilege of high school graduates choosing any one of 28 technical schools before enlisting in the U. S. Navy and being assured of specializing in that technical trade during their three years in the navy has been extended until August 1.

The announcement was made this week by E. N. Phipps, A.D.C., recruiter for this area with offices in the City Hall, San Leandro. Chief Phipps said that draftsman, surveyor, diesel repair, electrician, and airman training are among the 28 technical schools.

CHAIRMEN NAMED FOR DECOTO P.T.A.

The executive board of the Decoto P.T.A. met on Tuesday evening at the home of Mrs. Bernard Joseph to discuss and appoint the chairmen and their committees for the year. The following chairmen and their committees are:

Program: Chairman, Mrs. Waldren; Mrs. J. Caldeira, Mr. L. W. Musick and Mrs. A. Rodriquez.

Budget and Finance, and Ways and Means: Chairman, Mrs. Norman Luna; Mrs. R. Decher, Mrs. M. Hildago and Mrs. L. J. Fine.

Hospitality committee: Chairman, Mrs. Tony Costa; Mrs. E. Ward.

Publicity committee: Chairman, Mrs. B. R. Joseph; Mrs. Elmer Peixotto.

Health and Summer Roundup committee: Chairman, Mrs. A. Searles; Mrs. A. Ferreira.

Magazine committee: Chairman Mrs. Frank Margarido.

Room Representatives committee: Chairman, Mrs. Joe Garcia.

Founders' Day committee: Chairman, Mrs. L. Schaaf.

Membership committee: Chairman, Mrs. J. Fletcher; Mrs. A. Costa.

After the business meeting refreshments were served.

NILES ARMY MAN COMPLETES COURSE

TOKYO (Special to The Register)—Corporal Roy H. James, son of Mrs. Elsie Winters of Niles, recently graduated from a highly technical course in Radar Operation at Johnson Air Force Base near Tokyo.

Corporal James enlisted in the Air Force at Kelly Field, Texas, and received his basic training at the same base. Upon completion of his basic training. Cpl. James served in the United States until his departure for overseas.

Arriving in Japan in May, 1947, Cpl. James was assigned to the Fifth Air Force, the Occupational Air Force for Japan and Southern Korea, and later assigned to the 611th AC&W Squadron at Shiroi, Japan. The corporal expects to return to the U. S. in March 1949.

The first public bowling greens in the United States were established in San Francisco's Golden Gate Park.

LOCAL PIONEER TRAIN PICTURED

Accompanying a story of the early day railroads, published in the current issue of the magazine, "Trains," is a picture of the horse-drawn combination passenger and freight train which used to link Centerville and Newark.

The picture was taken in front of the Newark depot and shows the three horses, harnessed in tandem, a passenger coach which bears resemblance to the San Francisco cable cars, and several freight cars. The horses were harnessed one behind the other to allow them to walk between the narrow gauge rails. The one-man crew acted as "engineer," brakeman and conductor.

SERVICES FOR INFANT

Services were held at 10:30 a.m. Wednesday from the parlors of the Chapel of the Palms, Centerville, for Peggy Ann Hoover, 5-month-old daughter of Ethan and Mary Hoover, Anderson, who died in Redding. Burial was at Mt. Eden Cemetery.

Have you read the want-ads?

Eighteen localities within San Francisco Bay have been proposed for small craft refuge and recreational harbors.

DAY AT BEACH

Enjoying Sunday at Sea Cliff Beach near Capitola picnicking and fishing were Mr. and Mrs. Richard Silva, Mrs. Nonnie Lewis, Mr. and Mrs. John Enos Jr. and daughters Betty and Barbara of Decoto, Mrs. Watkins of Decoto, and daughter Eileen and husband of Port Chicago, Betty and Benita Lewis of Prospect City, Mr. and Mrs. George Silva of Castro Valley and Mrs. Mary Sequeira of Decoto.

VISIT RELATIVES

Mr. and Mrs. J. J. Cordeiro had an enjoyable two weeks vacation visiting relatives in San Pedro, California.

TO SANTA CRUZ

Mr. and Mrs. Manuel Muniz went to Santa Cruz Sunday where they enjoyed the day on the beach.

ATTEND ELK'S PICNIC

Mrs. Ramona Fine and daughters Phyllis and Donna Mae, Mr. and Mrs. John Monte, Mr. and Mrs. Roy Cadman and children, Barbara, Isabel and Manuel Monte, Mr. and Mrs. Philip Monte and son, all of Decoto, Mr. and Mrs. Eddie Blair and son of Oakland, Pauline Lavera of Hayward, and Angie Nunes of San Leandro, enjoyed the Alameda Elks picnic on Sunday at Linda Vista Park at Mission San Jose.

HOME FROM VACATION

Mrs. Edith Diaz and Mrs. Hazel Bettencourt have returned from their month's trip to the east. While there they visited Boston and Cambridge, Mass. They came home via the southern route, stopping at New Orleans. After spending a few days at home, Mrs. Edith Diaz went to Stockton for a week's visit at the home of Mr. and Mrs. Dave Janeiro.

"I heard that Sue is married, do you know if it's true?"

"No, I wonder what her new name is."

Brides-to-be, you owe it to your friends to tell them the happy news first-hand; don't let them "wonder what your name is now!" And they want to know when and where the event took place.

The easy, quick and correct way is by sending Wedding Announcements; all the newest forms and styles are on display here... a size for every taste and every pocketbook.

A free Bride Booklet... all about the Wedding ...it's authoritative and contains many hints you'll want to know about wedding etiquette ... call for your copy.

LOCAL MAN IS CHAIRMAN OF LIVESTOCK DEPT.

One of the largest and best livestock exhibits ever staged at a California county fair has been assured for the Alameda County Fair at Pleasanton July 9-17, Dale Carithers, Mission San Jose stockman and chairman of the General Livestock Department, announced this week.

Further entries in the $10,000 premiums classifications of beef and dairy cattle, sheep and swine, are being refused because of lack of space in the three big new beef, and dairy cattle and sheep-swine barns, Carithers said. More than 600 entries — excluding Future Farmers of America and 4-H Club exhibits—have filled the barns to set a new record high in entries in the above classes at this sixth annual fair, he added.

Prominent local livestock breeders scheduled to compete for the cash premiums offered include the Sequoia Stock Farm of Niles, with 19 registered Aberdeen-Angus beef cattle entries; Carithers, with two registered Hereford entries; Don Johnson, Pleasanton, and William Bell of Hayward, with Duroc Jersey swine. Dairy cattle entries have been received from Albert Vogel, San Jose, George W. Emde of Lodi and Clifford R. Orr of Novato, all with registered Guernsey stock.

Poultry, pigeon and rabbit entries are still being accepted, and will remain open until midnight July 3, according to George Bayliss of Hayward, chairman of that division. More than 450 entries in these classes are expected to compete for championships, Bayliss said.

KLATAWA COUNCIL MEETS AT JAMES HOME

Twenty-two members of Klatawa Council, Pocahontas, met Tuesday evening at the home of Mrs. Burlia James of Niles for a special election meeting.

Last Saturday night eight members of Klatawa took a new member, Amelia Heckman, to Watsonville to be initiated at the return of the Great Pocahontas of California to her home council.

FARM HOME WILL PARTICIPATE IN COUNTY FAIR

Last Monday the Garden Club of the Farm Home Department met at the home of Mrs. D. S. Seaborn on 171st avenue in Hayward. A picnic lunch was held in the beautiful garden, after which a short business meeting was held and the installation of officers.

The new officers installed were: Mrs. H. W. Suttle, chairman; Mrs. Mae Phillips, vice-chairman; Mrs. Edna Dobble, secretary-treasurer.

There was a large display of various pelargonians and new slips were distributed to all present.

Those from Centerville attending were: Mrs. Adeline R. Santos, Miss Ida M. Rogers and Mrs. Rose Peixotto.

Plans for the Alameda County Fair at Pleasanton from July 9 to 17 were discussed. All those wishing to enter articles for exhibit, please call for entry blanks and premium lists at the home of Mrs. Adeline R. Santos, 178 Central avenue, Centerville. All articles for exhibit are to be left with Mrs. Marion Zwissig on the Niles-Decoto road. They will be collected there and taken to the fair. Every member of the Farm Home Department is asked to cooperate with us and try to make this fair a grand success.

Wednesday, July 14, is Farm Bureau Day and a special program is being arranged for that day.

REBEKAH NEWS

Mrs. Anna Bradford, district deputy president of District 53, accompanied by Mrs. Mildred Barber, noble grand of Niles Rebekah Lodge, Mrs. Olive Pugmire and Mrs. Edna Hesscher, attended the reception given in honor of Mrs. Dorothy Franklin, inside guardian of the Rebekah Assembly at Oakland last Saturday evening.

Members of Niles Rebekah Lodge will meet in regular session tonight (Friday) at Odd Fellows Hall, Irvington. The business meeting will be preceded by a potluck dinner for members and their families. Mrs. Ivy Cull is chairman of the committee in charge of the dinner. "Secret Pals" will also be revealed at this meeting with exchange of gifts, with Mildred Barber and Mrs. Florence Dewey in charge.

A group of Niles Rebekahs visited Hayward Rebekah Lodge last evening. They carried the "Traveling Gavel" with them, and left it with the Hayward Lodge, who in turn will carry it to some other Rebekah Lodge.

Members of the Friendly Sewing Circle will meet Monday afternoon, July 12, at Odd Fellows Hall, Irvington, according to Gertrude Davis, president. The business meeting will be preceded by a luncheon to be served to the members at 12:30.

The loss of water by evaporation directly from the soil is largely confined to a shallow surface layer.

COWS WRECK CARS!

If some passing car hits one of your cows, you may suffer a double loss — the cow and a repair bill from the motorist. Just one more reason why you should have Farmer's Comprehensive Personal Liability Insurance. This broad policy protects you from many damage claims resulting from accidents to visitors, accidents from the use of farm machinery, vicious behavior of your live stock and many other causes. The policy cost is low. Come in and ask for our circular giving complete explanation.

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

Lois Bottenberg

VACATIONERS VISIT HERE

Mr. and Mrs. Raymond Dutra and family, Arnold, Patsy and Wayne, all of Lincoln, spent several days at the home of Mr. and Mrs. Manuel Phillips and family in the Mission, and at the home of Mr. and Mrs. Ray Mendonsa of Irvington. Both are sisters of Mr. Dutra. They also visited with his mother, Mrs. Maude Dutra. One evening they were dinner guests at the home of another sister, Mrs. Grace Meyers and family with another guest present, Frank Vieth of Alma. On leaving the other day they took grandmother Dutra and little Stanley Phillips home with them. Grace Meyer and Mr. Vieth will bring them home with them when they go to spend the "Fourth" up there.

MINOR OPERATIONS

Miss Rosalyn Egan, who underwent a tonsilectomy at the San Jose Hospital this past week is home now and recuperating. Sonny Santos of Ellsworth street also had his tonsils removed this past week. Seems like they come in twos and threes, for Hardy Burt was also a loser of tonsils this week.

NEW GRANDPARENTS

On June 28 at O'Connor Hospital in San Jose, Doc Stork left a bouncing baby boy for the Leonard Amarals of Sunnyvale. Mrs. Amaral is the former Rita Lawrence, daughter of Mr. and Mrs. William Lawrence of the Mission, but best of all the news arrived at the home of Mr. and Mrs. George Rodrigues where his older sister, Rose Marie, is staying, and what do you know, it was on her 8th birthday. Some birthday present. The little man has been named William for grandad, and Leonard for dad. He weighed 7 pounds 13½ ounces and will soon be home to his friends in Sunnyvale.

LEAVES ON VACATION

Lawrence "Nonie" Fernandez accompanied Miss Joyce Hunsberger to Oakland on Monday evening where she boarded a train for a month's vacation in Illinois with relatives and friends.

HOME FROM YOSEMITE

Miss Ann Untiedt returned home after a week spent in Yosemite with her friend and family, Patricia Henry of Palo Alto.

HOUSE GUEST

Mrs. T. E. Small of Wichita Falls, Texas, is a guest at the home of Mrs. C. E. Hightower. She is a sister-in-law.

ENDS MOTOR TRIP

Danny Silva, who drove his new Ford across country accompanied by Anthony Dutra of Newark and two other riders, has returned. He said they had a grand time all the way over to Arkansas and back, going the northern route and returning by way of Bakersfield and southern points. They spent happy days swimming and picnicking. Of course he was glad to be home but says he is going to make the trip again some of these days.

PREPARES CAMP

Donnie Meyers left last Monday for Camp Connell where he will help his aunt, Mrs. Dora Connell, put in pipes and get the camp ready for summer trade.

IN SAN FRANCISCO

Miss Regina Schneider, daughter of Mr. and Mrs. Alois Schneider of Bryant street, is vacationing in San Francisco at the home of Mary Schroer and also looking over the job situation to see if she could find some summer work over there.

DINNER GUESTS

Mr. and Mrs. Floyd H. Cross and family of Redwood City were Sunday dinner guests here in the Mission at the home of his sister, Mr. and Mrs. Glenn Bottenberg. Mr. and Mrs. Bud Justus and daughter, Cynthia Gail, of El Cerrito, as well as great-grandmother Wilcox were present.

VISITS GRANDPARENTS

Little Douglas Steele, son of Mr. and Mrs. Arthur Steele of Cool, is vacationing here at the home of his maternal grandparents, Mr. and Mrs. Joe Santos of Ellsworth street. Uncle Bill motored to Cool last week and brought the young man back. He will go home in a few days again.

NEARS COMPLETION

Mr. and Mrs. Mervin Telles and daughter will soon be "at home" in their very own new home on the old Telles estate at the edge of town. Merv and Irene have been busy at it for some time now and at last it is nearly ready for occupancy and that housewarming which is sure to follow. Good luck, kids.

CELEBRATES BIRTHDAY

A very luscious birthday barbecue was the feature of the evening on June 25 when Mrs. Alfred Andrade celebrated her (I don't think she would mind if I told, for she told me herself) 33rd birthday. It was a perfect evening and at the outdoor pit at Grandmother Telles place all enjoyed the huge, juicy steaks and all the trimmings. Mr. and Mrs. Mervin Telles and daughter, Mr. and Mrs. Leland Telles and sons, Mrs. Rose Telles and Mr. Andrade and two boys all paid their respects to sis and mother on this, her day.

DINNER HOSTESS

A Saturday evening dinner party at the Canyon Heights home of Mr. and Mrs. William Jibson of Niles, former Mission folks, was really a birthday dinner party for the very new Grandma Jibson was celebrating her birthday. Mrs. Edna Jibson, who became grandmother for the first time when little Cynthia Gail Justus arrived three months ago, was the hostess to her daughter, Barbara, and husband, Mervin Santos of the Mission, her daughter Colleen and her husband Bud Justus of El Cerrito, and of course Cynthia Gail, Mr. Bill Jibson and Johnnie, and Mr. and Mrs. Jay Jibson and daughter Carol.

READERS WRITE US

The Editor, Sir:

"Thinking Things Over": — I wonder what kind of citizens we expect our colored population to be, when we close decent places of entertainment to them. Worse, I wonder what kind of Nazi-philes we will become, some of us perpetuating, and some of us condoning such acts of discrimination thereby violating our constitution, our Christian ideals, and our good sense.

Let us indeed, think things over.

Anna Lou Rosenquist

The Editor, Sir:

I believe in the past I have read in your paper a column called "Our Readers Write," or something to that effect. Well, after reading June 25th issue, I'm wild and here's the reason:

The Niles Parents and Trustees' trouble due to the School Bus Driver. Why should they employ someone else to drive the bus? The present teacher-driver did very well. Why can't Principal E. D. Bristow look in on the Eighth Grade pupils 15 minutes or so each day (or each time) while the teacher is out with the bus. In these times we all have to economize. So let's hope the school will too. The taxpayers are burdened enough without this added expense.

A Taxpayer and Parent

DINNER GUESTS

Mrs. Myrtle Buck and son Wynn arrived in the Mission Wednesday to spend the day with her mother, Mrs. Hannah Rose. Mr. Buck motored to the Mission after work from Hayward where they live, to have dinner with the rest of the family.

The Mission fig was the only variety known in California for some 85 years after the padres introduced it.

GETTING READY FOR THE ALAMEDA COUNTY FAIR, July 9-17, are, left to right, Ray Hewitson and Judy Brittson of Pleasanton with Dale Carithers of the Mission Hereford Ranch.

FARM NEWS
AGRICULTURAL EXTENSION SERVICE

HAZARDS OF HAYING TIME

Accidents to farm people occur most frequently during the haying season, Lee Benson, farm advisor, reports.

The Extension man says the peak of haying accidents is reached in July and August. He suggests that farm people take extra precautions to insure safety at this time of the year.

Here are some of his suggestions to help you prevent disastrous losses from accidents:

Have a good system of signalling between the hoist operator and the men in the mow or on the stack.

Do not allow anyone who gets dizzy on high places to oil the derrick or hay carrier.

Provide safe access to all mechanism which may require attention.

Use a ladder to get on and off loads of hay or off the stack.

If you put hay that is too damp in the barn, you may have a fire.

Benson says moisture content of loose hay should be less than 20 per cent, baled hay below 15 per cent, and chopped hay below 12 per cent.

When heating of hay is suspected, you can check by inserting an iron pipe or rod into the stack in several places. If the pipe is heated by the hay, that is your danger signal. The hay should be removed from the barn if temperature is above 235 degrees Fahrenheit. Preferably the hay should be removed before it reaches this temperature. Have plenty of water available and keep the hay wet down if it is hot enough to catch fire.

TIME TO FREEZE CHERRIES

Cherries are back in the markets again, and it is interesting to note that California produces more sweet cherries than any other state in the Union.

If you are fortunate enough to have a home freezer or a neighborhood locker plant, you will want to put in a supply of this popular fruit.

For dessert purposes, select only firm, well-ripened cherries for freezing. Home Demonstration Agent Mrs. Maryetta W. Holman advises washing and sorting as quickly as possible so as not to lose any of the flavor or freshness. Whole cherries can easily be packed in a sirup of two to three cups to each four cups of water. Cover the cherries with the sirup, leaving about one inch of space at the top of the container, and freeze. You now have a handy supply of sweet, ripe cherries that will last long past the commercial season.

A circular on Freezing Storage has been prepared by Dr. Vra Greaves Mrak of the University of California Agricultural Extension Service which will give further help in the preparation of fruits and vegetables for freezing. Mrs. Holman says she will be glad to supply a copy of this circular free of charge if requested from the agricultural Extension Office, basement, post office building, Hayward.

There were 118,988 agricultural cooperative societies, with a membership of 4,190,909, in British India and the Indian states in 1939-1940.

As early as 1899, Californians were producing carloads of vegetables for shipment to eastern markets.

QUESTION-ANSWER ON NEW LAW

Q. How can security be recovered?

A. Security on deposit or any unexpended balance of security shall be returned to the depositor or his representative when evidence satisfactory to the Department of Motor Vehicles has been filed of a release or final adjudication of nonliability, a confession of judgment or acknowledged agreement providing for payment of an agreed amount in installments.

Q. Will I be notified if my license is suspended?

A. Notice of suspension must be sent by the Department to an operator not less than 10 days prior to the effective date of the suspension and shall state the amount required as security.

Q. What are the requirements for a liability insurance policy or surety bond to qualify under the California law?

A. It must be issued by a company authorized to do business in this state. In case of coverage on an automobile registered outside of the state, the issuing company, if not authorized to do business in the state, must have authorized the Director of Motor Vehicles to accept service on its behalf in any action arising out of an accident. The policy must have a limit of not less than $5,000 for injury or death to one person, $10,000 for injury or death to two or more persons and not less than $1,000 for property damage.

Q. Are there any exceptions to security provisions of the act?

A. Yes. They do not apply to the driver of a motor vehicle involved in an accident wherein no injury or damage to the property of anyone other than himself was caused; to the operator of a legally parked, standing or stopped vehicle, either attended or unattended, or if prior to the time the Department would suspend the driver's license or non-resident's driving privilege evidence is filed or a release from liability, judgment of nonliability, confession of judgment or written agreement calling for payment of an agreed amount in installments.

Q. How long will my driver's license remain suspended for non-deposit of security?

A. Until the required security is deposited, until one year has elapsed since the accident without a damage action being instituted or until there is filed with the Department evidence of a release from liability, final adjudication of nonliability, confession of judgment or an acknowledged written agreement to pay an amount in installments.

Q. What if I am involved in an accident and have no valid California driver's license?

A. You will not be allowed a license until you comply with the Financial Responsibility Law.

Q. Can I be required to post more security than the $5,000, $10,000 and $1,000 limits set for liability insurance?

A. No. The law specifically says that security shall not be in excess of these limits.

Q. What form can security take?

A. It may be cash, surety bonds or any type of negotiable paper.

Q. If I consider the required security excessive, can I obtain a reduction in the amount?

A. Any time within six months after the date of an accident, the Department may reduce the amount of security if it believes the amount is excessive. The excess amount will be returned immediately to the depositor.

Q. Does this new law supercede the old civil Financial Responsibility Law that was adopted in 1937?

A. No. The old law remains in effect. It provides for suspension of the driver's license and the registration of a motor vehicle owned by any person who fails for 30 days to satisfy any final judgment for damage to property in excess of $100 or for damage in any amount because of injury or death.

California payrolls subject to the California Unemployment Stabilizations Commission taxation are now at a rate well over six billion dollars annually.

GIRL SCOUTS AT CAMP

Attending the first sessions of the Girl Scout Summer Camp are Pat Collins, Barbara Johnson and Jo Anne Lewis. The girls will stay two weeks at the camp of Fresno in the Sierras. This is the first year that Newark Scouts have attended camp. They are included as part of the Hayward area.

FETE GRADUATE

A bit of late news but none the less pleasant for those concerned was the enjoyable evening spent at the John Cordeniz home in celebration of their son Johnny's graduation from grammar school. Guests were Mr. and Mrs. George Pimentel and children Buddy and Antoinette; Mr. and Mrs. Alfred Ornellas and daughter Diane; Mrs. Isabel Pimentel of Centerville; Mr. and Mrs. Frank Rose and sons; Mr. and Mrs. Manuel George; Mr. and Mrs. Larry Bettencourt; Mrs. Mary Martin; Mrs. Evelyn Ruggles and Sharon of San Diego. Schoolmates dropping in to congratulate John were: Kenny Roderick, Lloyd Auchard, Charlotte Seward, Jimmy Aguiar, Nonie Beck, Dick James, Johnny Bishop, Ronnie Cozzi, Melvin Correia, Elden Andrade, Buddy Bettencourt and Alden Christensen. Refreshments were served.

NEWLYWEDS HOME

Arriving home on Thursday from a honeymoon trip to Yosemite National Park were newlyweds Mr. and Mrs. Moe Oliveira (Bubbles Miller). The young couple were married on Sunday, June 20, at the St. Edward's Church, and will make their new home in Niles.

VACATIONS HERE

Master Arnold Roush, son of Mr. and Mrs. Don Roush, San Francisco, has been spending an enjoyable two weeks at the home of his grandparents, Mr. and Mrs. Michael Hoffman, Dairy avenue. Young Arnold, who attends St. Joseph's Academy at Belmont, is soon to leave for summer camp at Boyland in Felton.

TO OREGON

Mr. and Mrs. Howell Hudson and Mr. and Mrs. Luther Hudson left last Friday evening for a week's vacation trip to Eugene, Oregon, where they will visit relatives.

RETURN

Back in town are Mr. and Mrs. Ernest Tremblay, who are making their home on Locust street.

ON MOTOR TRIP

Leaving last Friday for a three weeks' vacation trip to Ponca City, Oklahoma, were the Springer family, Mr. and Mrs. Jake Springer and children, LeRoy and Janet. They will stop over in New Mexico to visit relatives before going on to their destination where they will be guests at the home of Mr. and Mrs. S. L. Springer, parents of Mr. Springer, whom he hasn't seen for several years. Also traveling along with the family is a doll now belonging to Janet, which has been in the family for eighty years. Janet took her along to proudly display to her grandmother. The Springers hope to visit many points of interest on the return trip and are looking forward to a very pleasant journey in their 1948 Buick.

NEW RESIDENT

Introducing a new little resident to Our Town are Mr. and Mrs. Alfred Parish, Mulberry street. Their son made his appearance at the San Jose Hospital on Wednesday, June 23, at 1:38 p.m. Named Alfred, he already has a good start in life, weighing in at 8 pounds 10 ounces. Mommy and baby will visit two weeks at the home of the very proud grandparents, Mr. and Mrs. Joe Guardanapo. Alfred is the Guardanapo's ninth grandchild.

IN NEW HOME

Now comfortably settled in their new home on Dairy avenue are Mr. and Mrs. Gene Barthe and family, who have purchased the former Phippen home.

ATTEND THEATER

Attending the musicale, "Annie Get Your Gun," at the San Francisco Opera House recently were Marilyn June Meneze, Marlene Rocha and Jo Ann Secada of Centerville.

HAPPY BIRTHDAY

Birthday greetings to Ed Kettman Sr., who celebrated his birthday on Wednesday evening with a very lovely party.

STORE CLOSES

Very much missed in Our Town will be the Newark Variety Store operated by Monford Krueger for the past two years. Pleasant news to their many friends, however, is the fact that the Krueger family will continue to make their home in Newark. Good luck and much success is wished Monford in his new partnership with his father at the Dime & Dollar in Irvington.

A NEW ARRIVAL

A very sweet and very, very little bundle of joy arrived at the San Jose Hospital on Sunday, June 27. He has been named Loren Allen, weighing 4 pounds 8 ounces, and claims as his mommy and daddy Mr. and Mrs. William O'Bryant of 767 Olive street.

BEGIN VACATION

Enjoying Monday deep sea fishing at Monterey as the start of a two weeks' vacation trip from the Friden plant at San Leandro, was Bud Kettman and Cecil McNieve. They were accompanied by Sal Milan of San Jose. They reported home with a nice catch.

PLAYGROUND OPENS

The summer playground opened at the Newark Grammar School on Monday and will continue through till July 23. It is sponsored by the P.T.A. and the Board of Trustees and is under the direction of Miss Eleanor Freitas, a graduate of San Jose State College. Any child of school age is eligible to attend the play ground the hours being from 9 to 11:30 a.m. and from 1 to 3 p.m. Also present each day will be a member of the P.T.A. to assist in the supervision of the children.

SON TO NEVES

So, it's a boy for Mr. and Mrs. Joe Neves. Arriving at the San Jose Hospital on Thursday, June 24, at 4:30 p.m., was Master Steven Anthony. Mother and baby are now at home and doing nicely.

PREPARE FOR FIESTA

A large crowd of several thousand is expected to attend the annual Holy Ghost Fiesta at Newark on Saturday and Sunday, July 10 and 11, honoring Queen Isabelle of Portugal. Heading the S.E.S. committee are: Joe Faria, president; Frank Rose, vice-president; John Meneze, secretary; Joe Guardanapo, treasurer; Joe Reis, marshal; Frank Lemos, John Costa, Joe C. Rocha, Manuel Machado and Frank Meneze, board of directors.

Fireworks beginning at 9 a.m. on Saturday will begin the festivities, followed by dancing. On Sunday the parade will leave the grounds for the high mass at St. Edward's Church at 10 a.m. Father Oliveira, missionary from Fatima, Portugal, will preach the Portuguese sermon. Visiting queens will make up part of the parade, with bands, drill teams, and drum corps included. The Centerville band will also be present for the parade and playing on the grounds Saturday evening and Sunday.

Barbecue will be served following the parade in the new kitchen and dining room recently built with all modern conveniences.

John Freitas will be in charge of cooking, with eight cows being butchered for the affair.

Reigning over the fiesta as queen will be Miss Loretta Pierce and attendants Marilyn June Meneze and Marjorie Reis. Her lovely cape will be held by Myrna Meneze and Russell Pierce. Other attendants will be Diane Caldeira, Marlene Lewis, Dolores Toste and Janet Souza.

Holding the miniature crown will be Eileen Pierce, the little queen. Her attendants will be Marlene Hernandez and Patsy Faria, and Betty Marks and Richard Faria will hold her cape. Janette Marks, Diane Avilla, Judy Souza and Barbara Mello will act as flower girls. There will be dancing Sunday afternoon beginning at 2 p.m., also auctioning and many other activities.

JOINS RESERVES

Luther Hudson has joined the active Marine Reserves.

INJURED IN CRASH

Benjamin Gordon, 950 Bose Avenue, Palo Alto, received internal injuries early Saturday morning when he lost control of his car on Jarvis Landing road and overturned in a roadside ditch. He was taken to Palo Alto Hospital in the Dallas Paul Ambulance.

Determining the maturity of the table grape accurately without eating it has been and still is a major problem of the industry.

LEGAL NOTICE

NOTICE OF SALE

DEPARTMENT OF PUBLIC WORKS

DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on July 21, 1948, at which time they will be publicly opened and read in the Assembly Room of said building, for constructing Highway in accordance with the specifications therefor, to which special reference is made, as follows:

Alameda County, on Jarvis Road, between Dumbarton Road and State Highway Route 69 (IV-Ala-1023), about three and four-tenths (3.4) miles in length to be graded and surfaced with plant-mixed surfacing on crusher run base.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

SKILLED LABOR

Classification	Rate Per Hour
Asphalt plant engineer	$2.225
Boxman or mixer box operator (concrete or asphalt plant)	1.925
Carpenter	2.00
Cement finisher (journey man)	2.025
Concrete mixer operator (up to one yard)	1.875
Concrete mixer operator (over one yard and paving type)	2.175
Fireman in hot plant	1.875
Mechanical finisher operator (concrete or asphalt) highway or street work)	2.225
Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)	2.525
Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)	2.625
Power grader operator (power planer, motor patrol or any type power blade)	2.375
Reinforced steel worker	2.00
Roller operator	2.225
Spreading machine operator	2.225
Structural steel worker	2.25
Tractor operator	2.225
Truck driver (8 cubic yards water level capacity or more)	2.175
Truck driver (6 cubic yards and less than 8 cubic yards water level capacity)	1.80
INTERMEDIATE GRADE LABOR	
Apprentice oiler, power shovels or cranes	1.875
Blaster-powderman	1.775
Bootman	1.70
Operator of jackhammers—vibrators and all air, gas and electric tools	1.65
Truck driver (4 cubic yards and less than 6 cubic yards water level capacity)	1.70625
Truck driver (less than 4 cubic yards water level capacity)	1.58125
UNSKILLED LABOR	
Flagman	1.525
Laborer	1.525

Positions not listed above will be allocated in accordance with the definitions which appear in the special provisions, as interpreted in the light of this classification.

The minimum wage paid to all skilled labor for which rates are not shown above shall be not less than $1.625 per hour.

The minimum wage paid to all intermediate labor for which rates are not shown above shall be not less than $1.525 per hour.

The minimum wage paid to all unskilled labor, for which rates are not shown above shall be not less than $1.525 per hour.

Overtime — one and one-half (1½) times the above rates.

Sundays and holidays—one and one-half (1½) times the above rates.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with Federal funds and that therefore all of the applicable Federal statutes, rules, and regulations will apply to such work.

The attention of bidders is particularly directed to the provisions of Section 7, article (a), subarticle (6), of the Standard Specifications regarding the use of domestic materials; to the provisions of Section 8, article (b), of the Standard Specifications regarding assignment of the contract; and to the requirements of the special provisions regarding subcontracting.

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, at the office of the Associated General Contractors in San Francisco, and at the office of the County Engineer or County Surveyor at the county seat of the county in which the work is to be performed.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

DEPARTMENT OF PUBLIC WORKS,
DIVISION OF HIGHWAYS,
G. T. McCOY,
State Highway Engineer.

MISSION, KLEINES MEET TONIGHT IN CRUCIAL GAME

The determining game in the leadership of the American League in the Washington Township Softball Association will be played tonight (Friday) at 7:30 when the Mission Firemen will meet Kleines.

The two teams that battled for the championship last season, are again back in the top slots and are expected to draw a capacity crowd for tonight's crucial game. In their only other meeting thus far this season the Kleine gang handed Frank Mayer's Mission men their first and only defeat, downing them 3 to 2 in a hard-fought game.

SEASON CLOSES JULY 14

The only defeat suffered by Kleines was rendered them by the Central Chevrolet club, 7 to 4.

Only four nights of double-headers remain in the current season with the teams taking a week's rest after tonight, returning for three nights of play on July 12, 13 and 14.

A summary of the past week's games:

Thursday, Kleines in the curtain-raiser held Native Sons scoreless while banging in 10 runs, and Kraftile won on a forfeit from Fricks.

Friday, the two games resulted in identical scores with Mission Junior Firemen downing L & V and Vilelas defeating Westvaco, both winning by a score of 6 to 1.

Monday, Mission Juniors returned to win another victory by the score of 6 to 1, this time at the expense of Kraftile, and Native Sons had little trouble outpointing Vilelas 10 to 4.

STILL UNDEFEATED

Tuesday, undefeated Pacific States Steel maintained their perfect record with a shutout over Fricks, 4 to 0. In the finale Kleines ran wild to trounce Central Chevrolet 14 to 2.

Wednesday, Mission Firemen scored at will to win a shutout over Westvaco, 10 to 0, while Wedgewood gave L & V a thorough 12 to 4 trouncing.

JR. LEGION NINE TO CLOSE SEASON

The Junior Legion ball club, sponsored jointly by the Washington Township American Legion and Joe Adams, Centerville Ford dealer, will close the spring Junior Legion League season Saturday, July 3, with a game to be played on the local high school diamond at 3 p.m.

The local club, with a record of four wins and three losses, will be pitted against the Bill Irwin Post of Oakland, only undefeated team in the league. Coach Irving Hird is expected to start Gene Bramwell on the mound for the locals in an all-out endeavor to topple the league-leading nine.

MRS. RAPHAELIA MARTINEZ TAKEN BY DEATH

Mrs. Raphaelia M. Martinez, 77, of Alvarado, died Tuesday in a Hayward hospital. She was the wife of the late Antonio Martinez; mother of Bertola Morlez of Hayward, Domingo, Roberto and Margarito Martinez, all of Alvarado, and Mercedes Tiejo of San Leandro. She was a native of Mexico.

Funeral arrangements are pending at the Berge Mortuary Company, Niles.

NILES SPORTSMEN READY FOR SHOOT

Plans for the Niles Sportsmen's Club Running Deer Shoot to be held at the club's range south of Niles are well under way, according to Lorin Mohn, publicity chairman.

Heading the shoot as general chairman is Richard Davis. At a directors meeting at his home last Monday, the following sportsmen were selected to run the various shoots:

Running deer shoot for large-bore rifles: Joe Dooley, Reginald Calhoun and Charles Rilea.

.22 rifle range: Doug Mayock and Lawrence Bunting.

Trap shoot: Joe Pine and Richard Davis.

Fly casting: Clarence Musgrove.

Prizes for the various shoots will be hams. Grand prize for the trapshoot will be a Montague casting rod.

A special feature of the day will be an exhibition of fly-casting by Joe Gomes, professional, whose participation is being arranged by Jim Fitzhugh.

KRUEGER NAMED MANAGER OF CLUB

The new playing-manager of the Willows (Glenn County) Cardinals in the Far West Baseball League, is none other than Bill Krueger, son of Mr. and Mrs. L. W. Krueger of Irvington.

Krueger, an infielder, is a former coast leaguer, having played with Portland, Sacramento and Seattle. During the 1947 season, after he was discharged from the navy, Bill was with the Modesto League.

In making the announcement, Harry Green, president of the league, stated that the shift in making young Krueger manager was "for the betterment of the club."

IRVINGTON NINE ON SCORING SPREE

What Manager Frank Mayer termed "the wildest game of the season" was played by the Irvington Merchants at Concord last Sunday with the localites rolling up 17 runs and allowing the opposition 13.

J. Garcia started on the mound for Irvington but with his club leading 11 to 4 in the fifth, Mayer, to provide some fun for the spectators, pulled many shifts in the line-up. J. Davis clouted a home run for the Mayermen and Ralph Chapman rapped out a triple.

The club will motor to Clear Lake this week-end for a Sunday game at Upper Lake and a Monday game with the Clear Lake Highlands resort team.

The box score of Sunday's game:

WILL ENTER FLOAT IN FAIR PARADE

The Niles Sportmen's Club voted Monday to enter a float in the parade at Pleasanton in connection with the Alameda County Fair.

The boys will get out jalopy and boat, familiar to all township residents, and, dolled up in all their finery, give fair-goers something to chuckle over.

Have you read the want-ads?

MOUND ACE WINS FOR DECOTO CLUB

Harvey Hernandez, home on furlough from the U. S. Army, pitched the Marlo baseball team of Decoto to an easy 8-3 victory over the Carpenter's Union of Oakland on the Ashland diamond Sunday.

The serviceman, in the first seven innings, struck out 15 batters, allowed but four hits and held the Carpenters scoreless. He was relieved in the eighth by Rebiejo who gave up the three runs for the opposition. Now Manager Al Ferreira's biggest worry is hoping that Hernandez will be permanently stationed in the bay area so that he can be available to the home-town team each week-end.

Hernandez, who also rapped out a triple, was not the only star of the game for the Decoto club, however, for Right Fielder Pete Madrid clotted three doubles in four trips to the plate.

FLYING

Last week-end was a rather quiet time for the local flyers. Only one cross country flight was made and the economics of the trip was the real feature. The two-passenger Ercoupe "Chughead II," was flown round trip to Fall River Mills, a distance of 660 miles; the elapsed flying time was 6 hours; gas consumption 30 gallons and one quart of oil. The crew not only saved money and time but they had none of the dangerous highway traffic which is a hazard in auto traveling. Dr. Tom Wilson and Margery Wilson made the trip and were the guests of Dr. and Mrs. Don Gomez, formerly of Niles.

The big event for the Center Field Pilots during the July 4th holiday will be the celebration at Watsonville. The flyers will be the guests of the town for a big dance Saturday night; an athletic and airshow program on Sunday and a big barbecue on Monday. If it is anything to compare with the Air Show at Columbia, the local pilots should benefit by the training and soon go in for endurance flights.

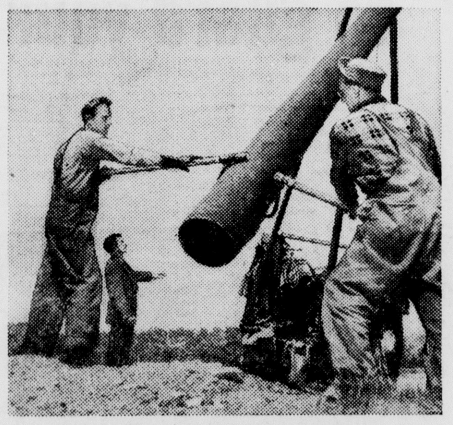
Half a million dollars a day

That's what we're putting to work in new telephone facilities for the West. Where does the money come from?



1. Making the telephone system grow takes money and lots of it...we're spending an average of half a million dollars every day for new facilities in the Pacific West. Some might think all this money comes from telephone bills...or from profits. But that's not the case in this business.

2. This lady, for example, may have furnished the money for that pole above. For we must get money to grow from investors who put their savings into the business. The bills you pay go for payroll, taxes and other operating costs — and for small "wages" for the money of investors.

3. Somebody must put up a lot more money for each new telephone we add today than was necessary before the war. Costs have gone up for us as they have for you. As we put in more and more new telephones, the expensive new portion becomes a larger part of the whole system.

4. Getting telephones to people who are waiting is our big job. And we can attract new working dollars and keep up the installation pace only if we sell our services at adequate prices. These prices must cover operating costs and leave a moderate profit, too...the profit that pays our investors for the use of their savings.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

FOR YOUR FAMILY
from the steel in your car

You're guiding a ton and a half of steel down the road when you drive your family to a picnic.

Your car is made up of many materials but 95 per cent of its weight is steel.

The steel industry's manpower, resources and knowledge are riding with you, helping make the trip safe, quick and comfortable.

To serve you better the steel industry over the years has steadily expanded its plants and greatly improved its products.

That kind of progress has meant . . .

For you — more and better things made of steel;

For steelworkers — more employment at high wages;

For the industry — the ability to turn out record amounts of steel at an average profit on the sales dollar last year of a little more than 6 cents.

AMERICAN IRON and STEEL INSTITUTE
350 FIFTH AVENUE · NEW YORK 1, NEW YORK

CENTERVILLE K. C. ELECTS OFFICERS

George J. Komines has been elected Grand Knight of the Centerville Knights of Columbus, succeeding John Cattaneo.

Other officers elected, who will be installed in July, are: Walter Connolly, deputy grand knight; Clifford Rogers, chancellor; John H. Holland, warden; L. A. Mayer, recorder; George S. Roderick, financial secretary; M. F. Silva, treasurer; M. W. Lewis, George A. Coit and Jose Luiz, trustees; and Frank Duarte and Anthony E. Maciel, guards.

The modern era of paper making dates from 1850, when wood pulp processing was invented.

Thinking Things Over . . .

By VIVIAN BATMAN

A BOY

After a male has grown out of long dresses and triangles, and has acquired pants, freckles and so much dirt that relatives don't care to kiss him between meals, it becomes a boy.

A boy is Nature's answer to the false belief that there is no such thing as perpetual motion. He can run like a deer, swim like a fish, climb like a squirrel, balk like a mule, bellow like a bull, eat like a pig, act like a jackass, according to climatic conditions.

The world is so full of boys that it is impossible to touch off a firecracker, strike up a band, or pitch a ball without collecting dozens of them. Boys are not ornamental; they're useful. If it were not for boys, the newspaper would go undelivered and a hundred thousand picture shows would go bankrupt.

The boy is a natural spectator; he watches parades, fires, fights, football games with equal fervor. However, he will not watch a clock.

A boy is a piece of skin stretched over an appetite. Boys imitate their Dads in spite of all efforts to teach them good manners.

Boys are very durable. A boy if not washed too often and if kept in a cool, quiet place after each accident, will survive broken bones, hornets' nests, swimming holes, and five helpings of pie.

When he grows up he'll trade puppy love, energy, warts, bashfulness and a cast iron stomach for a bay window, pride, ambition, pretense and a bald head and will immediately begin to say that "boys aren't what they used to be in the good old days."

—From "Mutual Moments"

Ha, ha, you Centerville people. The gravel diggers have finished digging in Niles (after 35 years) and are on their way to Centerville. We'll let YOU worry for a few years now.

ABOUT JESSE JAMES

Bringing back desperadoes—even as colorful a character as Jesse James—and showing him off as a hero smacks to me of stupid sensationalism.

Hero worship should be reserved for heroes—not desperadoes. Even though Jesse James reformed following a career of crime, he should not be pointed out as a hero.

Of course, the 100-year-old man being brought out here for the San Leandro show may not be THE Jesse James, even though he claims to be. But, in any event, he seems to be boasting about it!

THE JOY OF BEING AN EDITOR

Getting out this paper is not a picnic.
If we print jokes, people say we are silly.
If we don't they say we are too serious.
If we stick close to the office all day,
We ought to be around hunting material.
If we go out and try to hustle,
We ought to be on the job in the office.
If we don't print contributions,
We don't appreciate genius;
And if we do print them, the paper is filled with junk!
If we edit the other fellow's write-up we're too critical;
If we don't, we're asleep.
If we clip things from other papers,
We are too lazy to write them ourselves.
If we don't we are stuck on our own stuff.
Now, like as not, some guy will say
We swiped this from some magazine.*

We did!

FIRE-FIGHTER'S PARTY

On Friday, July 9, members and guests of the Alameda County Association of Firemen will meet at Albany with Fire Chief Fred Pimentel as host at what he has informed the group will be "Surprise Night." Many Washington Township chiefs, firemen and fire commissioners are planning to attend.

Less is known about insect pests of the Orient than any other area in the world.

How trouble shooters take wing to guard your power supply

They take the sky-way... these modern power-patrolmen. Helicopters enable our high-line trouble shooters to find line breaks or make routine checks of transmission facilities much more efficiently than on foot or skis. For the versatile helicopter can hover near a tower for detailed inspection of insulators and equipment... land in normally inaccessible areas... or dart at 80 miles an hour along the line to spot possible breaks caused by storms or falling trees.

There are 9,000 miles of transmission lines in P. G. and E.'s network to keep helicopters busy. And they have a still bigger job ahead as we expand the system to serve Northern and Central California's growing needs.

From more than a hundred reservoirs and lakes and 74 generating plants comes the electricity to supply this vast network. More plants are on the way, joining P. G. and E.'s post-war power-parade costing over $400,000,000.

FOR THE RECORD
P.G.&E. ALREADY HAS A GENERATING CAPACITY 176% THAT OF HOOVER DAM
52% GREATER THAN GRAND COULEE AND SHASTA DAMS PUT TOGETHER
OUR CURRENT CONSTRUCTION PROGRAM WILL ADD NEARLY TWO MILLION HORSEPOWER TO THIS TOTAL
MORE THAN ⅓ OF THIS NEW POWER WILL BE SERVING YOU IN LESS THAN A YEAR ... WE'RE GOING FULL SPEED AHEAD

Work never stops on our power-building program

Irvington Man Married in Reno

It was a Reno wedding last Saturday for Mr. Joseph F. Corey of Irvington and the former Isabel Costa of Fresno. Accompanying the two to Reno were Mr. and Mrs. Allen Perry of Hayward.

The newlyweds will leave this week-end for a ten-day honeymoon trip to the northwest.

Mr. Corey is well known in Irvington, having lived there for several years.

At Lake Tahoe

Judge and Mrs. E. A. Quaresma and their children spent last week at Lake Tahoe, at Zephyr Cove. They reported that the "weather was wonderful."

Rose Vieux Honored At Luncheon

Mrs. Rose Vieux of Niles, president of the Business and Professional Women's Club, was the honored guest at a lunchen and handkerchief shower recently at the International Kitchen as a farewell gesture from her friends prior to her trip to Fort Worth, Texas, where she will attend the national convention of business women as a delegate. She leaves today (Friday) by train.

Guests at the luncheon included Bernice Nordvik, Lela Oliveira, Ann Mayock, Viola Dias, Olive Dias, Josephine Morris, Estelle Hirsch, Gertrude Enos, Dorothy Belshaw and Carmelita Berge.

Carmelita Berge Married in Carmel

Surprising their many friends in the township were Carmelita Berge of Irvington and Edwin Freitas of Mission San Jose who were married Monday, June 28, at Carmel.

Mrs. Freitas, an Irvington school teacher and former president of the Washington Township Business and Professional Women's Club, is the daughter of Mr. and Mrs. Tom Berge. Her husband is connected with the Southern Pacific.

The couple will make their home in Mission San Jose.

House Guests

Reminiscing over their life in the Navy during the war were two former shipmates of Mrs. John Berchem, Dorothy Montgomery and her sister, Rita, from San Gabriel, who were the Berchems' house guests from Wednesday to Friday of last week. The three "did" San Francisco one day and had lunch at Omar Kyaham's.

Joins Army

Roland Chivers, son of Mr. and Mrs. William Chivers of Niles, joined the Army last Friday and is now stationed in San Francisco.

Back from the South

Miss Amparo Lira and Ted Lira of Niles returned Wednesday from a week's vacation in the Los Angeles area. She works for the Southern Pacific Company in San Francisco. He is proprietor of Ted's Donut Shop in Niles.

For the Holiday

Mr. and Mrs. Frank Lombardi and baby will be house guests of her parents, Mr. and Mrs. Roland Bendel over the holiday week-end.

George Bonde Feted At Birthday Party

George Bonde was feted at a party at the Ellsworth home Wednesday night in honor of his birthday. Those present to take part in the festivities included Mr. and Mrs. E. A. Ellsworth and son, Vernon, Mr. and Mrs. Bonde and son, George, Mrs. Bonde's sister, Miss A. Jorgenson, Mr. and Mrs. Marsten Dassel, Mr. and Mrs. Peter Juhl, Mr. and Mrs. Robert Blacow, Mrs. Mildred Wilder, Mrs. Walpert, Mrs. F. V. Jones, Mrs. Georgiana Hoskins, Miss Hoskins, and Mr. and Mrs. J. W. Boylin and children.

Great-Grandson

Mr. and Mrs. Edward Johnson of Niles are announcing the birth of a boy. This makes Carrie Martin a great-grandmother, a fact of which she is justly proud.

MR. AND MRS. KEITH WHIPPLE ON HONEYMOON IN THE NORTHWEST

Now on their wedding trip through Washington and Oregon in a new 1949 Ford are Mr. and Mrs. Edward Keith Whipple, whose wedding was an event of last Sunday in the gardens of the Decoto home of the bridegroom's mother, Mrs. Edith Whipple. The Rev. Kenneth Bomberg performed the ceremony.

The bride, the former Harrie Jane Lindeman, was given in marriage by her father, Mr. Wallace Williams of Farmington, Utah. For the rites she selected a ballerina-length white embroidered organdy and carried a bouquet of bouvardia and white orchids.

Her attendant, Jacqueline Whitmer, was in a green chambray ballerina-length frock.

For her daughter's wedding, Mrs. Williams chose a navy blue print, and wore an orchid corsage.

Mrs. Whipple was in light blue linen and wore an orchid corsage.

Tom Whipple, accompanied by his wife and baby daughter, came from New Mexico to be his brother's best man.

Two of the bridegroom's cousins, Charles P. Howard Jr. and Bruce Howard of Walnut Creek sang a duet, "Because," and the wedding music was played by Mrs. George Jaekle of Berkeley, sister of Mrs. John Whipple.

A reception for about 200 friends of the newlyweds was held in the gardens immediately following the ceremony. Upon their return from the northwest the couple will live in the home adjoining that of the bridegroom's mother.

The new Mrs. Whipple is a Delta Gamma from the University of Utah which she attended for two years; she then completed her university education at the University of California.

Mr. Whipple attended the University of California at Davis.

COUPLE REPEAT WEDDING VOWS IN IMPRESSIVE GARDEN RITES

A huge pepper tree in the garden of the L. H. Adams home in Irvington served as the canopy for the wedding last Sunday of Dorothy Adams and Arthur Milo Davis at mid-afternoon ceremonies, in the presence of 200 guests.

Under the tree was a huge heart formed of fern and edged with Esther Reed daisies, made by the bride's mother. The heart was banked with woodwardia ferns and on either side were pedestals on which stood stately bouquets of white lillies. The natural garden setting provided a beautiful backdrop for the lovely bride when she walked down an improvised aisle marked with clusters of ferns and Easter Reed daisies.

For her wedding she wore a white organdie, with bouffant skirt and basque bodice fashioned with a marquisette yoke and long, tight-fitting sleeves. An illusion veil, trimmed in lace, was held in place with a tiara of matching lace. She carried a bouquet of white rosebuds and bouvardia.

The honor attendant, Mrs. Delphine White, was in aqua organdie, with basque fitting top and bouffant skirt, and carried a bouquet of yellow chiffon daisies. The bridesmaids, Willa Jean Langfield and Carol Palmer, wore similar gowns and with them necklaces of chartreuse pearls, which were gifts from the bride.

The flower girl, Phyllis Standfield, was in yellow organdie, the skirt of which was edged with deep ruffles. She carried a basket of yellow daisies.

For her daughter's wedding Mrs. Adams chose a pale blue crepe afternoon frock with pink accessories. She wore an old-fashioned corsage of pink pelargoniums.

The bridegroom's mother was in rose print crepe, and wore a corsage of rose-hued sweet peas.

Mrs. Lena Gilbert presided at the organ for the wedding music and Leroy Burdick of Sacramento sang three selections, "Always," "O, Perfect Love" and "The Lord's Prayer."

The ceremony was performed by the bride's father, Elder Lewis H. Adams, former pastor of the San Jose branch of the Reorganized Church of Jesus Christ of Latter Day Saints. The Rev. Jacob Harvey McCartney of Broadmoor Community Church of San Leandro, gave the bride away.

Burdette Tordofs of Berkeley stood with the bridegroom as best man and ushers were Roy Peck of Berkeley, and Clarke E. Vincent of Lamoni, Iowa.

Those who assisted the hostess at the reception which immediately followed the ceremony, included Mrs. Arnold H. Morris of Stockton, Mrs. J. H. McCartney of San Leandro, and several college classmates of the bride: Miss Jean Powell of Tulare, Miss Arvine Petz of Tracy, Mrs. Irma Sullivan, Mrs. Thelma Mottashed and Mrs. Ruth Mottashed.

The newlyweds will make their home in San Leandro.

Hostess at Luncheon

Mrs. Arthur Belshaw was hostess at a bridge luncheon at her home in Centerville. Her guests were Mmes. John Rathbone, Karl Nordvik, Clyde Voorhees, Edgar Van Scoy, E. M. Grimmer, Vernon Brown, Ralph Goodwin, Ed Vieira and Jack Rees.

To Nevada

Joe Faria of Niles will take a two weeks' leave of absence from his position at Kimber's to go on a vacation with his wife to Nevada, starting this week-end.

Vacationing

Miss Beverly Ann Russo has been spending her summer vacation at the home of her grandparents, Mr. and Mrs. Vince Russo.

Attend Wedding

Mr. and Mrs. Joseph Martin and Linda attended the wedding of Robert Alameda, grandson of Mrs. Carrie Martin, at 9 a.m. Saturday morning in Oakland.

Bridge Club Meets

Mrs. Bernard Joseph of Decoto was hostess at her home Monday afternoon to the members of her bridge club. The club meets every second and fourth Monday.

Those present were: Mmes. Orve Day, Wayne Day, Harold Garcia, Tony Enos, LeRoy Broun, Ed Rose, and Mrs. Marian Zwissig.

At Convention

Dr. W. F. Lamoreux of Kimber Poultry Farms has returned from a week's trip to Colorado where he attended a poultry science convention.

Bon Voyage Party For the LeRoy Brouns

Mr. and Mrs. LeRoy Broun of Centerville, who plan to leave for Hawaii on the Lurline on July 9, were the honored guests at a "bon-voyage" open-house party given for them last Sunday afternoon at the home of Mr. and Mrs. Jack MacGregor, with Mr. and Mrs. Clyde Voorhees co-hosting the affair.

The MacGregor back yard was the setting of the very gala occasion which was right in the spirit of the Hawaiian atmosphere with gardenias for each guest, a carnation lei for the guest of honor and daisy leis for the hostesses, highlighted with Hawaiian music played all during the afternoon on the record player. The leis were fashioned by Mrs. Stebler Loze.

About 50 guests were present.

Many other affairs are being planned for the popular Centerville couple prior to their sailing next Friday.

New Son

Mr. and Mrs. C. A. Oliveira, Niles, are the proud parents of a new son, Gregory Celair, born June 19 at the Hayward Hospital. The youngster tipped the scales at 7 pounds 8 ounces.

At Summer Camps

Three members of the younger set of Niles who are attending summer camps are Diane Roeding, daughter of Mr. and Mrs. George Roeding, at the Children's Country School in Los Gatos; and Bill and Edgar Dawson, sons of Mrs. Maren Dawson, at Montezuma School, also near Los Gatos.

Grandparents

Mr. and Mrs. L. W. Krueger of Irvington received word Sunday that they are once again grandparents, this time to a young lady born to Mr. and Mrs. Bill Krueger of Salinas. The new arrival weighed 6 pounds 8 ounces and has been named Dayna Carol.

Moving Day

Mr. and Mrs. Al Alcaraz of Irvington moved into the home on Durham road owned by A. E. Garcia last week, and Mr. and Mrs. Garcia moved from the Mel Soito home into the home vacated by the Alcaraz family.

Flies from Texas

Mrs. John Sandlin of Dallas, Texas, arrived yesterday by plane to attend the funeral of her grandfather, Octavien Vieux. Mrs. Sandlin is the former Yvonne Vieux. She and her baby daughter will spend a couple of weeks visiting her mother, Mrs. L. A. Vieux of Niles.

San Mateo Visitor

Miss Lola Rossi of San Mateo is visiting Mr. and Mrs. Gene Pessagno of Niles for a couple of weeks.

Niles Visitor

Visiting at the home of Mr. and Mrs. Nick Pessagno is Miss Tosca Perugi of South San Francisco.

COUNTRY CLUB FORMS NEW SECTION: TO BE NAMED THE 'HOBBY GROUP'

An organizational meeting for a new section of the Country Club was held Monday night at the home of Mrs. LeRoy Broun of Centerville, with Mrs. Clyde Voorhees as "co-organizer."

The new section, to be called "The Hobby Group," comprises the new members who have been taken into the Country Club during the last couple of years. The group will meet each month for supper and fun at the different members' homes.

Mrs. Voorhees was named chairman, and those present for the first meeting included Vera Taylor, Verna Silva, Marjorie Manning, Beth Grimmer, Bernice Nordvik, Pauline Alameda, Julianne Howe, Marian Picotte, Fern Overacker, Jackie Berg, Josephine Whipple, Marjorie Redaeker, Ann Louise Katzer, and the County Club president, Mrs. C. N. Myrick.

Mrs. Rathbone is Bridge Hostess

Mrs. John Rathbone, who is visiting her parents, Mr. and Mrs. Leon Solon in Niles, was hostess at a bridge party Tuesday night at the Solon home.

Her guests included Mmes. Harold Janssen, Henry Enos, Leslie Mann, Edgar Van Scoy, Karl Nordvik, Arthur Belshaw, Clyde Voorhees, E. M. Grimmer and Evelyn Briggs.

The Rathbones will return to their home in Santa Barbara next Tuesday.

Celebrate Anniversary

On Thursday evening, June 24, Mr. and Mrs. Vernon Leal of Irvington celebrated their third wedding anniversary with dinner and dancing at the Flamingo Club in San Jose. Making up the foursome were Mr. and Mrs. Gerald Meekins of Centerville.

Something New

Oliver Benbow of Irvington is the proud owner of a new 1949 Ford.

Former Local Man Married in Kansas

Announcements have been received by friends in the township of Dr. Robert B. Ziegler that he and the former Martha Jean Laffer of Wichita, Kansas, were married in that city on June 17.

Dr. Ziegler graduated from Washington High in 1935. At that time his father, who is now superintendent of the Holly Sugar Company in Sacramento, was in charge of the Alvarado plant. The family is well known in this area.

Sunday Guests

Visiting at the home of Mr. and Mrs. Walter Sletten of Niles last Sunday were Mr. and Mrs. W. E. Davis of Watsonville and Mr. and Mrs. W. Larmouth and son, Bill, of Gilroy.

To Santa Rosa

Mr. and Mrs. Vernon Leal of Irvington spent Saturday evening and Sunday in Santa Rosa visiting relatives and sight-seeing along the Russian River.

BETTER THAN ARMY KIND

The dried fruit bar in the Army's famous K-ration has been dressed up for civilian use by University of California College of Agriculture food technologists so that it tastes 100 per cent better.

They added chopped toasted almonds and honey or corn syrup, cut down the amount of dried fruits, and thereby changed it into a truly delicious confection.

Cobalt occurs in nature almost always in company with nickel and is produced with it.

INDEPENDENCE DAY

The fourth day of July in 1776 was not just one day in our history—it was many days, many years, many struggles, many events, all leading to that great climax of the Century—the Declaration of Independence.

The Declaration, then, did not mark the start of the fight for freedom but brought it into sharp focus. The fight had already been going on for decades in this country and for ages in other lands. It is still going on. True, the Colonists won their struggle for liberty. But succeeding generations have learned that each generation must win the struggle anew.

This effort does not always take the form of open warfare as it did in 1861, 1917 and 1941. More often it must be carried on through the implements of education to overcome intolerance, greed, and fear—the deadly enemies of freedom.

In observing our Independence Day it is well that we contemplate not only the sacrifices and achievements of our heroes of history, but that we also earnestly consider the tasks ahead and the measures that will be necessary to preserve our form of government.

Let us remind ourselves that freedom is everybody's job. And let us do that job with all our might. Nothing less is worthy of the men who founded our Nation and those who have defended it through the past century and a half.

DRAFT AGAIN

Any time after late September hundreds of thousands of young Americans between the ages of 19 and 25 can expect to receive "greetings" from the President of the United States. And as a result of such greetings about a quarter of a million of them will find themselves in uniform for Uncle Sam within a year. The registration for the draft can start at any time, but it is estimated that the re-establishment of the necessary machinery for that purpose will take until the middle of August.

All men between the ages of 18 and 25 must register. The 18-year-olds are not subject to the draft but 161,000 of them may enlist for a year if they wish. Those drafted in the 19 to 25 group will serve 21 months in the armed forces. No one can be drafted before September 22. Neither those who are likely to be inducted into the service nor the rest of the American people are happy about the draft. But the majority of them realize that measures for the defense of our country must be taken now. A small sacrifice now will prevent the necessity of a much greater one later on..

WILL NOT ENTER FLOAT IN FAIR PARADE

The Irvington Chamber of Commerce, at a luncheon meeting held Tuesday at Roethlin's Cafe, voted not to enter a float in the parade at the opening of the Alameda County Fair. The members, all agreeing that such action should be taken, were of the opinion that the time was now too short for the proper preparation of the type of entry they would want to represent the community.

The members also voted to table plans for a donkeyball game until later in the summer.

WILL PLANT QUAIL

A novel proposal to plant families of valley quail in the Capitol grounds at Sacramento is being investigated by the Division of Fish and Game.

Sportsmen, civic groups, and legislators have asked that the state bird be cultivated in the field to supplement populations of eastern squirrels which abound in the shadow of the capitol building. Investigation on possibilities of displaying golden trout—the state fish—in the 40-acre park has also been authorized by the Fish and Game Commission.

The Mount Rushmore National Memorial in South Dakota contains 1686 acres.

SHUTTLE SERVICE

"Operation Hitch-hike," in which adult salmon are taken over impassable sections of the San Joaquin River by tank trucks, is successfully under way, according to an announcement from the California Division of Fish and Game.

The netted fish are placed in trucks supplied by the U. S. Bureau of Reclamation, transported 20 miles upstream, and released in ample water to continue migration under their own power.

The park system of the District of Columbia contains 27,790.36 acres of land.

In many California localities, the Pacific Coast newt is known as the "brown waterdog."

TO WASHINGTON, D. C.

Barron Holland, 14-year-old son of Mr. and Mrs. Jack Holland of Centerville, left last week by train for Washington, D. C., where he will visit relatives.

THE LADIES by Dorothy

What do you mean you're never wrong? Why you haven't been right about anything since your last prediction—that Washington wouldn't make it across the Delaware!

For rayon panties so silky and smooth you will hardly know you are wearing them, visit Amelia's Apparel Shop.

Dressmaking and alterations on men's, women's and children's wearing apparel.

REG'LAR FELLERS By Gene Byrnes

WHAT DO YOU THINK OF IT, JIMMIE?
RIGHT SHARP, AGGIE!
- BUT DON'T YOU THINK IT'S A BIT UNCOMFORTABLE FOR A BIRD? - OR A GOLD FISH?
WHAT?
I'LL TEACH YOU TO INSULT MY NEW SPRING HAT!
SLAM!
